# ABOUT SURGIMED

Surgimed Healthcare Supplies Ltd. is a company that specializes in importation and supplies of medical and surgical equipment and disposables as well as offering back up services. With over 10 years experience, Surgimed has positioned itself as a trustworthy and reliable company within the East African region.

Our product focus is Ear Nose and Throat instruments, while at the same time including a selected range of products that cover general diagnostic and general surgical instruments as well as therapeutic products. The company has gained a well earned reputation for quality and affordable medical products, integrity and efficiency. Our business partners and clients are our most important priority.

Conveniently situated in the serene location of Kilimani Area of Nairobi, the hub of medical practice and within minutes of the City's major hospitals and medical practitioners, Surgimed offers adequate parking for the visiting client and prompt and efficient delivery of supplies to our numerous clients by our efficient sales team.
